PRESIDENT'S COLUMN

Does anyone else feel like this year is just flying past? It's already time for the Greene County Fair, August 2-7! With the fair opening also comes the first opportunity to buy 2022 12-Gun Raffle tickets.

Come out to the fairgrounds, stop by the Conservation building, and sign up to work at the display.

You will get to introduce attendees to the Greene County Fish and Game Association and let them know more about the club, our conservation mission, and the great facilities and opportunities that come with being a member.

While you're there, pick up your own ticket to next year's 12-Gun raffle!

This year's drawing for Goose Hunting will be immediately following the membership meeting on August 10.

If you're interested in waterfowl hunting at the club, bring a valid and current Ohio hunting license, State and approved Federal waterfowl stamps, and be present at the drawing.

For more information, carefully read through the Wildlife section of the Ground Rules. As is true for all hunting at the club, hunters need check in and check out at the clubhouse.

August also means finalizing the 2022 budget. All submissions were due by the end of last month, and the budget will be voted on at the next board meeting.

Along with the club funding of projects, submissions for July 2021 through June 2022 grant year were fully funded.

Once last year's final reports are received and processed, the final contracting process will begin to release the funds for the approved programs.

Once we have more details, there will be a meeting scheduled for all committees with grant funding to cover more information regarding management, use, tracking, and reporting of the grant funding.

As a heads up for grant recipients, it is critically important to ensure ODNR is informed of all finalized or changed dates for events listed in the grant submission.

The procedures for making sure that happens as required by our grant contract will be covered at the meeting.

Don't forget that the club picnic will be next month on Saturday, September 18th, and don't forget to turn in your drawing tickets if you haven't done so already.

New members still needing to log work hours, there is plenty of work to do to set up, run, and clean up after the picnic.

Barring any unforeseen changes, we are planning to have everything as we have in years past.

**THE GREENE COUNTY FAIR IS
BACK THIS YEAR! AUGUST 1-7.**

VOLUNTEERS ARE NEEDED NOW!

The Annual Greene County Fair is less than a month away and help from club members is still needed. There is no easier or more enjoyable way to get your work hours in than working our Conservation display at the Fair.

If you like talking to people, seeing old friends, meeting new ones, or selling tickets, this gig is for you! We are still currently looking for help. Set-up was on Saturday July 31st. Teardown will be on Sunday, August 8th. We need help everyday in between!

If you call him today, Dave might even have an entry ticket for you. You will be an ambassador for the club while you are there, so make us proud! Share your skills and knowledge with others.

Don't forget to ask Ralph and Dave where the best Fair Food is located. Rumor has it they are both preferred customers with many of the great vendors!

2021 ROOSTER RUN EVENT PREPARATIONS ARE GOING STRONG!

Summer is absolutely flying by. Our Second Annual **ROOSTER RUN** Event is only 3 months away. We have been working hard and things are slowly beginning to come together.

Birds have been ordered, prizes are being acquired and meals are being planned. More than a half dozen young hunters have already submitted their registration form and secured a spot in this year's event.

We have added so much to this year's event that we couldn't do it all in one day. We will have the "Kick 'em Up" Kick-off dinner on Friday evening November 12th, followed by our second version of the Rooster Run bright and early on Saturday morning November 13th.

Plans are currently in the works for our club to make a difference in the communities we call home. We will do it all through the Rooster Run Event. You can be a part of all the excitement!

In this day and age, image is everything. Recently, law abiding sportsmen and gun owners have been getting a bad rap. It's nothing new really, but it does need to change.

We are a conservation club, and guns are part of what we do, but they do not define us. Our efforts are focusing on the future. These kids are the future, their future and ours.

With your help we will be able to make a positive impact in the lives of these kids. From pre-teens all the way up to high school seniors heading off to college.

Our goal is to become the exception to the rule, an organization that gives back. We want to become the model for all things good and we want to be recognized in our communities as a positive influence.

Contact us today and find out how you can help us make a difference in the lives of others.

We want to do it again this year, and with your help we can make it even more special, with more names on our Legacy Board and more great fishing tackle in the box. We all have someone we'd like to honor & remember...
