

FAIRBORN RIFLE & PISTOL CLUB

HIGH POWER RIFLE

CIVILIAN MARKSMANSHIP PROGRAM

Once again we are at the time of year to prepare for another season of shooting. If you are a new shooter to the club, welcome, we are glad to see you. There is a list of planned matches enclosed for you to plan ahead.

If you are a new shooter and are not a member of Greene County Fish & Game there are a few rules you need to be aware of and follow. You can only be on the grounds on Wednesday night when the matches are being held. Someone who is a member must be there with you. You are limited to the range we are using for the match and you cannot stay after the match is over. **Open bolt indicators will be required this year on all rifles.** This is in the interest of safety. The first one will be issued at beginning of season. Replacements will be available for \$.50 each.

To those shooting under the CMP and using club rifles and ammo the following apply: The ammo is allotted in packages of 26 rounds. **If you do not reload or have use for the clips and brass please return them to the van.** The brass and clips are sold later to purchase equipment such as: mats, gloves, scope stands and other equipment.

Entry fees, one time per year	20.00
Junior entry fees	10.00
Match fee. 20 rounds	6.00
Junior match fee, under eighteen	4.00
Ammo.30-06 ball only 26 rds	20.00
Ammo, 30-06 juniors	10.00
Ammo, juniors 30 carbine, 30 rds	10.00

With projected gas prices and increased ammunition fees we are forced to raise prices this year. Individual Match fees were raised by one dollar to cover expenses such as gas, ammo, supplies. Etc. Ammunition reflects actual cost of ammo to us.

Let's have a good year shooting and some fun along the way.
